It is crazy addictive. It is often useful to play the game with adults and kids together, as some logos will be more recognisable to different age groups. Every now and then you will still reach a logo which you just don't recognise! So here's a little helping hand. If the answer above is not correct, then it is hopefully one of these. Previous LevelGame MenuNext Level Guess the Food: Brand Quiz is a game developed by Trivia Box From the company that brought you Food Quiz, a game that was downloaded more than 20 millions of times, Guess The Food: Brand Quiz is a quiz game where you need to find food brands. This game is different than the others because the questions have a multiple answers choice. At first, it might look easy. You might be thinking hey that's easy. I have one chance out of four to succeed and if I have the wrong answer I can just retry and choose another answers. You are right but... you need to wait 24 hours to retry a level. Which makes things a little more complicated if you want to complete all the levels and unlock more levels. To unlock new levels, you need a minimum of completed answers. This might cause you a problem in later levels because you will need to go back to previous levels and find the answers that you didn't solve. This is why we are here to help you. We will list all the answers here on to help you continue your journey in this amazing game. USA/Worldwide Level 1: Please note that these answers are not in the same order for everybody. The order is randomly generated. Take your time to find the good answer. The order will also change when you retry a level. 7 up Aero Airheads All-Bran Apple Jacks Aquafina Babybel Bush's Chapman's Cinnabon Coors Light Doritos Folgers Gatorade Hershey's Kisses Hubba Bubba Jolly Rancher Mars Minute Maid Oh Henry Planters Ritz Shredded Wheat Tetley Twizzlers Click here to go back to the list of all the answers
