When it is hit up hard and fast, many times you can take care of it, the human body can take a lot of punishment. Take a look at the EFC. They pack with each other, then another one beats. But every other and then you will see the same fighters crumble in an apparently weak strike. Niju Kun - The 20 guiding principles of Kararedomaster Gichin Funakoshi, the founder of Shotokan Karate, arranged the twenty precepts of Karate (Niju Kun), which are there as a guide for all karateka to follow and join. These principles form the Shotokan Karate Foundations. These twenty principles were based heavily on Bushido and Zen. The principles allude to notions of respect, humility, compassion, patience, awareness and is a calm towards the interior and outwards. 2020 Shotokankarateonline.com.
